

HCR 335

CARATTERISTICHE PRINCIPALI

HCR 335 is Custom's **hybrid reader** designed for self-service applications, payment systems, ticketing machines and kiosks. It combines manual triple-track magnetic card reading with chip card reading/writing in a single compact, reliable and versatile device. Thanks to **EMV 3.1 approval**, support for the most widely used memory cards and the Power Down function, HCR 335 ensures operational continuity and security even in the event of a sudden power failure.
